

Parrot Cove Association Board Meeting Minutes
June 19, 2006
Lynnette Romano's house 7 PM

Meeting began at 7 PM

In attendance: Tim (Navy) Bean, Lynnette Romano, Kristine Rouse, Anna Schafer and Diana Scheiner

Lynnette explained that the purpose of the club was social, not political. The major fund-raising event in previous years has been the House Tour. There is not one scheduled for this year, but the subject will be discussed at the next meeting to see if anyone is interested in chairing this committee for a future house tour – date to be determined. This function is usually held in February.

Navy said that the current membership is 49 people. There are approximately 900 homes in this community.

The list of committees was reviewed and the following were recommended – Garden committee, Home Tours, Hurricane, Crime Watch, Walking Group, Cookbook committee, Neighborhood Business booklet committee, Tree committee and a Neighborhood newsletter delivery committee.

Lynnette will be responsible for the newsletter and needs articles of information to be submitted to her.

Anna will do the website. Anna suggested that we have a section with items or services for sale. It was agreed that there would be a \$10 charge for putting this information on the web and in the newsletter. This rate will change after 60 days or in September.

Diana reported that the tree committee is still researching nurseries and pricing for tree distribution. A price will be obtained on actually planting the trees, but this will be up to the individual who gets the free tree to choose to pay for it to be planted or do it themselves.

A schedule of meetings was set up as follows:

Aug 22 – 7 PM – St. Andrews Episcopal Church – Trees/garden speakers

Sept – location to be determined – Children's Night – Lake Worth services – library, recreation.

Oct – location to be determined – Lake Worth departments
