Boundary Signs:

Anna mentioned the signs that are being used by Bryant Park and she would contact them to get additional information. The concern is where they can be placed and Anna will contact person at the City of Lake Worth to get more information.

Elaine asked if there could be a reduction in cost for members of the Parrot Cove Association to attend the Home and Garden Tour.

Gael advised that Bryant Park is going ahead with a proposal to the City regarding changing the name of "O" Street to Ocean Breeze. We may want to contact them to join in this proposal to the Commission.
